You have advised us that the above qualification will be **assessed in Albanian** and you may now publicise this qualification and register learners.

The following recommendations have been made for the above qualifications:

*You are advised to increase recruitment of nursing qualified tutors when delivery has commenced to ensure that sufficient support can be provided by the core team.*

*Ensure that future assessment briefs contain opportunities for students to demonstrate understanding of theoretical concepts as well as reflection on practice.*

*Seek advice from external examiner on how to improve writing of IV reports.*

*Seek advice from external examiner on how to improve the programme specification when reviewed.*

*Ensure a programme management file is developed with all evidence and links to policies and procedures is made available to interested parties.*

Please note we request that learners are registered as per Pearson guidelines, which can be found on our website [here](#).

If no registrations are made within two years of the approval date, approval may be withdrawn and a new application for approval will be required.

All details relating to the administration, delivery, quality assurance and certification practices of these qualifications, as well as further information around the resources and tools available to you, can be found on our website [here](#).

If there are any changes to your centre which affect your ability to deliver Pearson qualifications, including to your examination venue, to the arrangements of storing and securing examination papers, your address or the head of centre, you must inform us immediately.
